## NEWSLETTER & RALLY DAY NOTICES March 2014

### Dressage Comp 2<sup>nd</sup> March 2014

Thank you to all the members who helped support our annual March dressage competition held on Sunday 2<sup>nd</sup> March 2014 – whether you were competing, judging, helping put up, and then dismantle the arenas, scoring, pencilling, gear check - and/or acting as runners to collect the tests from the judges - your help was appreciated. A good day was had by all!!

### Training Day Saturday 5<sup>th</sup> April 2014

Our next training day has been changed from Sunday 6<sup>th</sup> April to **Saturday 5<sup>th</sup> April**. This is due to the Carriage Club also booked in to use Hawthorne Park on Sunday 6<sup>th</sup>, and as some riding horses have issues with horse and carriage combinations, we decided to switch to the Saturday and luckily were able to do so.

**Annie Creighton**, an experienced professional showjumper will instruct small groups in flat work, pole work and jumping.

**Wendy Bruszewski**, a local dressage instructor and an accredited official judge will give individual 30 minute dressage lessons in the sand arena close to our club house

This is a wonderful opportunity for our members to take advantage of instruction by these two highly experienced mentors.

To cover expenses on this day the charges will be \$10 per rider for lessons with Wendy, and \$5 per rider for group lesson with Annie. This will include morning tea and a light lunch. Gold coin donation for non-members or family helpers if they wish to have refreshments on the day. Please let Judy know for catering purposes, how many will be dining at lunch time.

All riders must be members of Grafton Riding Club.

Please book in with Judy (phone 6643 1557 – you can leave a message) by 6pm on Thursday 3<sup>rd</sup> April or email - [griftonridingclub@gmail.com](mailto:griftonridingclub@gmail.com) - (for lessons with Annie you will need to let me know age and experience of rider and mount, plus size of pony or horse etc, so we are able to arrange similar riders and mounts for the group lessons. This makes it a lot easier for the instructor and fairer for all riders.

**Please note:** The criteria for junior riders is that they must be independent riders, able to competently control their mount at the walk and trot in a lesson environment.
