- **Training Day Committee Report**

- Heavy rain fell on Sunday night (9 October), a few phone calls and a visit to the park by Tiff, it was decided that the day should go ahead as the rain had ceased.

We had 11 riders attending with Sonia giving lessons. Everyone who had a lesson with Sonia, came away with a lot of new tools in their tool box. A HUGE thank you so much to Sonia who only stopped for lunch – no morning tea! Quite a few riders headed down to A3 where they participated in some pole work. The sessions didn't run for very long as A3 was very heavy going. We had a couple of new members come along who say they will be back again. Thank you also to Bronson who tagged a few helmets and also set the BBQ up and cooked the sausages and onions, everyone seemed to enjoy their sausage sandwiches and some went back for seconds. This was our final training day for 2022.
