- **Training Day Committee Report**

Our training day started out beautifully

Sun shining but the wind & clouds wanted to have their say..... some rain fell. But not enough to dampen the spirits of our riders and instructors. Some took a break til the rain stopped, some continued on. All in all, I'm sure everyone had a great day and left after lots of fun and learning. Those who stayed for lunch also left with full tummies 😊

A massive thank you to Sonia George and Chris Harding who gave lots of lessons

Leigh and Chris brought along some of their cavalettis from home – they looked awesome thanks you

A big call out to Leigh Harding who helped put the poles out and pack them up with Chris, then cooked up our lunch

Thank you to all those who came along 😊
